when the satellite is in orbit, it experiences, atmospheric drag, magnetic disturbance, gravity gradient and solar radiation; this disturbs the satellite's orientation

I hope I can stop with all the advice I’ve read, but rather a malevolent, insidious witch with a colored mask.

On top of the best treatments available, bidil still increased survival of African-American heart failure patients by 43 compared with a sugar pill, while cutting hospitalizations by 33.

We do not know if this will help Sylvie but know the cost of her unrelenting seizures.

Every day I recommend prescription-graded topical tretinoin to my patients.
